A 7-Steps blueprint for education leaders to help their schools and districts prepare students for the challenges of the 21st century.

In this all-new resource, educational leaders get a 7-Steps guide to moving their schools and districts forward in the quest to prepare students for the challenges of the 21st century. The Leader’s Guide to 21st Century Education inspires the teaching and learning of critical thinking, communication, collaboration, and creativity and focuses on presenting an implementation-oriented resource for education leaders at all stages of implementation, from early through advanced. The book clearly describes what to do once a school or district adopts the 4Cs:

Step 1: Adopt your vision: Use the 4Cs and more.
Step 2: Create a community consensus around the 4Cs.
Step 3: Align your system with the 4Cs.
Step 4: Use the 4Cs to build professional capacity around the 4Cs.
Step 5: Embed the 4Cs into curriculum and assessment.
Step 6: Use the 4Cs to support teachers.
Step 7: Improve and innovate: Create a 4Cs organization.
